#### **Request 3 - Please state previous provider if applicable.**

Response 3 - Where the tables above state existing these were the previous providers.

#### **Request 4 - Date of contract start and length of contract**

Response 4 - All Contracts to start on 1.10.2012 and are for a 3 Year period.

#### **Request 5 - Number of patient contacts or similar under contract.**

Response 5 - AQP there are no specific patient contacts or quantities contained within the Contract.

#### **Request 6 - Overall cost of contract.**

Response 6 - AQP contracts are based on Cost and volume and therefore there is no overall cost for the contract but we have estimated the likely values as below:

Direct access to flexi sigmoidoscopy: £221,000pa  
 Cardio diagnostic services – 24hr ECG: £325,000pa  
 Carpal tunnel management: £800,000pa

These values are for the total 'customer base' of PCT's/CCG's in all of South Yorkshire and Bassetlaw.

#### **Request 7 - Which other services are planned to be put out to tender and when?**

Response 7 - There are no other services planned to be put out to tender.

**Request 8 - Please send me any details about new services issued as press releases or to stakeholders.**

Response 8 - No press release or information has been sent to service users to date.
